**looks like you already searched class 100.
100/37 is the method subclass for
removing liquid so i would suggest
crossing it there.**

**in 53: search 436, 438, 529 for compacting
search 459, 469, 570 for filling a bag**

crosses for 53 -- 438, 459

Would you please review elected claims 1-10, 22-24 and 28-40 to determine if there is a search in Class 53 and Class 100. Sub classes 36, 37, 39, 104, 110, 116 and 123 in Class 100 appear relevant. Also, please let me know what sub classes you would like a cross in (if any).
